

## Executive Biography

### **Leonard Ryan**

Founder and President  
QuestSoft Corporation

Leonard Ryan is the founder and president of QuestSoft Corporation. He has been associated with the mortgage industry for over 30 years and, for the past 24 years, being a major compliance software leader. He is a frequent speaker at mortgage software and regulatory compliance conferences.

Mr. Ryan has been named twice to *Mortgage Professional America's* Hot 100 list of Mortgage superstars (2018 & 2016). In January 2017, he received a Vanguard Award from *HousingWire* Magazine. He also is recognized as a MBA Tech All-Star for his visionary work in the area of mortgage and lending compliance.

His company, QuestSoft, serves over 2,600 banks, credit unions and mortgage lenders for a variety of regulatory mandates including HMDA, CRA, Fair Lending, CFPB regulations, state and local regulations, income verification and other needed regulatory requirements.

QuestSoft has received over 20 awards over the past five years, including the top award for any vendor, the *Lenders Choice* award. Recently, QuestSoft was named Top Innovator by *Progress in Lending* in recognition of its Compliance RELIEF software. The company is currently rated the 10th best small business workplace to work in Orange County, California, and has been recognized as a top workplace in the region for five of the past six years.
