

EXECUTIVE BIOGRAPHY

Leonard Ryan
Founder and President
QuestSoft Corporation

Leonard Ryan is the founder and president of QuestSoft Corporation. He has been associated with the mortgage industry for over 30 years and, for the past 23 years, being a major compliance software leader. He is a frequent speaker at mortgage software and regulatory compliance conferences.

Mr. Ryan has been named twice to Mortgage Professional America's Hot 100 list of Mortgage superstars (2018 & 2016). In January 2017, he received a Vanguard Award from Housing Wire Magazine. He also is recognized as an MBA Tech All-Star for his visionary work in the area of mortgage and lending compliance.

His company, QuestSoft, serves over 2,600 banks, credit unions and mortgage lenders and has received over 20 awards during the past four years including the top award for any vendor, the Lenders Choice award. Recently QuestSoft was named Top Innovator by Progress in Lending in recognition of its Compliance RELIEF software for its advanced availability to customers ahead of the recent HMDA changes. QuestSoft is currently rated the 10th best small business workplace to work in Orange County, California, and has been recognized as a Top Workplace in the region for five of the past six years.
